Number One Killer Of Mankind Can Be Traced To Rothschild’s NWO Democide: Death By Banker’s Usurped Government!

Democide is the murder of any person or people by a government, including genocide, politicide, and mass murder. Democide is not necessarily the elimination of entire cultural groups but rather groups within the country that the government feels need to be eradicated for political reasons and due to claimed future threats.

Below A Few Quotes from a couple of sociopathic megalomaniacs:

A single death is a tragedy, a million deaths is a statistic. – Joseph Stalin

In earlier times it was easier to control a million people than physically to kill a million people. Today it is infinitely easier to kill a million people than to control a million people. – Zbigniew Brzezinski

Paul Adams, J.D.

Many people believe that governments are too bureaucratic, incompetent and lazy to accomplish anything substantial. However, history has demonstrated that powerful elites have used governments to do one thing extremely efficiently: Democide.

- Rothschild Zionists Are A Fifth Column Within The United States Of America!

According to Professor R.J. Rummel of the University of Hawaii, Democide is the murder of any person or people by a government, including genocide, politicide, and mass murder.

Democide does not include soldiers killed in battle. During the 20th Century (1900s) alone, Rummel calculates that government power was used to murder approximately 262,000,000 people.
Approximately 61,911,000 people, 54,769,000 of them citizens, were murdered by the Communist Party of the Soviet Union from 1917 to 1987. Rummel writes:

Part of this mass killing was genocide, as in the wholesale murder of hundreds of thousands of Don Cossacks in 1919, the intentional starving of about 5,000,000 Ukrainian peasants to death in 1932-33,2 or the deportation to mass death of 50,000 to 60,000 Estonians in 1949.3 Part was mass murder, as of the wholesale extermination of perhaps 6,500,000 “kulaks” (in effect, the better off peasants and those resisting collectivization) from 1930 to 1937, the execution of perhaps a million Party members in the Great Terror of 1937-38, and the massacre of all Trotskyites in the forced labor camps.

- Rothschild’s Minions: Lenin, Obama, & Sun Yat Sen ~ The Gang Of Counterfeiters!

Most people are unaware that all that death resulting from the Bolshevik Revolution would not have been possible absent the support of wealthy financiers in London and New York.

Lenin and Trotsky were on the closest of terms with these moneyed interests both before and after the Revolution. Additionally, it was President Woodrow Wilson that provided Trotsky with a passport to return to Russia to “carry forward” the revolution.

**Obama’s Maoist Anita Dunn**

FYI==> Who Is Anita Dunn? Bauer’s wife!! Anita Dunn’s video surfaced about a speech she gave at a May 2009 high school commencement, where she referred to the former communist dictator of China Mao Tse Tung as one of her favorite political philosophers.

Anita was hired by then-Senator Barack Obama in 2006 to direct communications and strategy for his political action committee, The Hopefund. This move signaled to many that Obama was planning to run for the presidency.

While advising Hopefund and Obama in 2006, she was instrumental in the preparations for the launch of Obama for America, and brought many key staffers to the Obama campaign with whom she had worked in Bayh’s and Daschle’s offices.
